Potato Growers of Michigan, Inc.
invites you to join in our legislative
efforts to ensure an economically viable
potato industry in Michigan for us all.

Created in 1991, Potato Growers of Michigan, Inc. (PGMI) works to keep the legislature and decision makers in Lansing and Washington, D.C. informed on the needs of the Michigan potato industry. As the key advocate for Michigan potato growers, PGMI members work to ensure that reliable economic data and sound science is the basis for decisions made in Lansing, and D.C. that impact growers.
